Before reading my interpretations of hadiths, the hadiths are not infallible. If the hadiths were, there would be in the Quran. I estimate that 75% to be authentic but I would have no clue if only 15% were. Both Muslims and people who are against Islam take offense to this as if I pick and choose which hadiths are correct, my response is that I don't care since I have provided my reasoning for how I simply don't know, nobody believes every hadith is accurate. Why aren't I allowed to choose which ones are right?

The way to read hadiths is: sahih means 100% reliable, hasan means 90% reliable, and da'if which means 20% reliable.

4681 if anyone loves for Allah's sake, hates for Allah's sake, gives for Allah's sake, and withholds for Allah's sake, he will have perfect faith. This may be the most difficult thing you can ever do in your life.

4682 the most perfect believer in respect of faith is he who is the best of them in manners.

4687 you become an infidel if you call a believing man an unbeliever.

4738 when Allah the exalted speaks to send revelation, the inhabitants of Paradise hear the clanging of a bell from the Heavens like a chain being dragged across a rock, and they swoon. They continue to remain like that until Jibril comes to them. When he comes to them, they recover and say: 'O Jibril, what did your Lord say?' He would say: 'The truth,' and they would say: 'The truth, the truth.'

4739 Prophet Muhammad says that worshipping him as an intercession is a major sin.

4740 people will come forth from Hell by Prophet Muhammad's intercession, will enter Paradise and be named Jahannamis.

4751 an Angel comes to our graves during our deaths and ask, "who did you worship?" and then ask, "what was your opinion of this man?" He replies: He is Allah's servant and His Apostle. He will not be asked anything else. He will then be taken to his abode in Hell and will be told: This was your abode in Hell, but Allah protected you and had mercy on you substituted for you and abode in Paradise for it. He will say: Leave me so that I may go and give glad tidings to my family. He will be told: Dwell. When an infidel is placed in his grave an angel comes to him, reprimands him and asks him: Whom did you worship? He replies: I do not know. He will be told: You neither knew nor did you follow the believers. He is then asked: What was your opinion on this man? He replies: I held the opinion that the other people held. 4873 two faced people will have two tongues of fire on the Day of Judgment

4875 you cannot make fun of someone for their height.

4883 if anyone guards a believer from a hypocrite, Allah will send an angel who will guard his flesh on the Day of Judgment from the fire of Hell, but if anyone attacks a Muslim saying something by which he wishes to disgrace him, he will be restrained by Allah on the bridge over Hell till he is acquitted of what he said.

4888 if you search for the faults of the people, you will corrupt them, or you will nearly corrupt them.

4889 when a ruler seeks to make imputations against the people, he corrupts them.

4893 if anyone cares for a brother's need, Allah will care of his needs; is anyone removes a brother's anxiety, Allah will remove from him, on account of it, one of the anxieties of the Day of Judgment; and if anyone conceals a brother's fault, Allah will conceal his fault on the Day of Judgment

4898 falsehood leads to wickedness and wickedness leads to Hell. If a man makes falsehood his objective, he will be recorded in Allah’s presence as a liar. 4914 you will enter Hell if you keep apart from your brother for more than three days.

4916 the gates of Paradise are opened on Mondays and Thursdays, and forgiveness is granted to every man who does not associate anything with Allah, except for a man who is resentful to his brother. They will be given respite till they conciliate. Prophet Muhammad kept away from some of his wives for forty days and Umar kept apart from his son till he died. It has to be for the sake of Allah.

4921 not a liar if you speak a lie against two people to make things right, to say something in war, and a man who says something to his wife, or a wife who says something to her husband.

5041 if anyone spends the night on the roof of a house with no stone palisade; Allah's responsibility to guard him no longer applies.

5042 if a Muslim sleeps while remembering Allah, in the state of purification, is alarmed while asleep at night, and asks Allah for good in this world and in the Hereafter. Allah surely gives it to him.

5046 when you go to your bed, perform ablution like the ablution for prayer, and then lie on your right side and say: O Allah I have handed over my face to thee, entrusted my affairs to thee, and committed my back to thee out of desire for and fear to thee. There is no refuge and no place for safety from thee except by having recourse to thee. I believe in Thy Book which Thou hast sent down and in Thy prophet whom thou hast sent down. 5190 if you are invited to take meals and come along with a messenger, that serves as permission for him to enter.

5197 those who are nearest to Allah are the first to give a salutation.

5205 do not give salutation first to non-Muslims, force them to go to the narrowest part of the road.

5232 send peace to the Angels though they are not deceased.

5239 if anyone cuts the lote-tree Allah will bring him headlong into Hell.

5245 Allah brought a man in Paradise for picking up a branch that was on the road and removing it having done not one good deed.

5256 this is a weak hadith that some snakes are jinn. This hadith was mixed in where a group of jinn in medina embraced Islam in the next hadith.

There are right for you upon your women, and rights for your women upon you. As for your rights upon them, then they are not to allow anyone on your bedding whom you dislike, nor to permit anyone whom you dislike in your homes. 3324 the jinn are responsible for ruining previous revelation by ascending to the Heavens trying to listen to it, they would then add nine to it. The statement they had heard was true while what they added was false. With Prophet Muhammad revealing revelation, they were put in their place. Satan was informed of this and had sent two armies after him.

Were your sins to reach the clouds of the sky, then you sought forgiveness from Me, I would forgive you, and I would not mind. So, son of Prophet Adam! If you came to me with sins nearly as great as the earth, and then you met Me not associating anything with Me, I would come to you with forgiveness nearly as great as it.
